Inclusive Innovation and Entrepreneurship

WHAT IS IT?

The Titan Generator is a **day-long event** focused on bridging and strengthening **social enterprise solutions for businesses and social movements**.

The event will include a **pop-up art activation, hackathon/solution sessions, networking opportunities, resource connections**, and more.

For more information, please visit www.bit.ly/titangeneratoroverview

WHO IS COMING?

Leaders from **United We Dream, March for Our Lives, International Indigenous Youth Council**, and **Color Of Change**, as well as key influencers, story amplifiers, and funders will be present.

Invitations will be extended to **25+ entrepreneurs of color** with a social impact component.

To apply, please visit www.bit.ly/titansapply
